YUPO® product conformity to EU RoHS (*"Restriction of Hazardous Substances"*)

We hereby confirm that all YUPO® grades produced at our Kashima production plant are compliant to the European Union directive 2011/65/EU ("the RoHS directive") including the delegated directive 2015/863/EU ("RoHS 3"):

This applies to the following grades, among others:

BLRG, FDR, FEBG, FGS, FPG, FPS, FPU, FRB, FRBW, SDI, SGS, SGP, YPI

All grades produced at the Kashima production plant do **not** contain any of the following substances in more than the following concentrations:

Cadmium (Cd)	0.01 %wt
Chromium VI (Cr6+)	0.1 %wt
Mercury (Hg)	0.1 %wt
Lead (Pb)	0.1 %wt
Polybrominated biphenyls (PBB)	0.1 %wt
Polybrominated diphenyl ethers (PBDE)	0.1 %wt
Bis(2-ethylhexyl)phthalate (DEHP)	0.1 %wt
Butyl benzyl phthalate (BBP)	0.1 %wt
Dibutyl phthalate (DBP)	0.1 %wt
Diisobutyl phthalate (DIBP)	0.1 %wt

The data provided is correct to the best of our knowledge.

(Takahiro Kiuchi, President)
